**JURY RECOLLECTION CONTROLS**

**DRAFT**

You have heard the lawyers discuss the facts and the law in their arguments to you. These arguments are not evidence. Their purpose is to help you understand the evidence and the law. If the lawyers have stated the law differently from the law as I explain it to you in these instructions, then you must follow these instructions and ignore the statements of the lawyers. If the lawyers have stated the evidence differently from how you recall it, then you should follow your own memory of what the evidence was.
