## NHMCLE APPROVED SELF-STUDY PROGRAMS

NHBA • CLE offers current programs of proven quality on audio CD or DVD with seminar manuals. NH Bar members can purchase Audio CDs, or DVDs together with corresponding written materials and earn up to half their annual credit requirements (6 hours including the ethics component) under the self study provision of Rule 53. The pricing of all orders is packaged to include the purchase of written materials.

Additional information on the programs including a full program description and faculty listing can also be forwarded upon request. This information can also be found on our website in the NHBA CLE section under Product Catalog.

**Please note that you may not receive NHMCLE credit on programs that are over 3 years old.** Please also make sure that you do not order a program for which you have already received credit - either online, via webcast, or live attendance. *You may not receive credit twice for the same program.*

To take advantage of this time saving and cost effective way to earn NHMCLE credits, write the item # in the appropriate space on the order form for the program(s) you wish to receive and payment information. Then mail, fax or phone in your order. (See order form on back page.) You can also order online at [www.nhbar.org](http://www.nhbar.org). **Prepayment is required.**

= New Hampshire Practice Programs (for those attorneys waiving in from out-of-state)
