

Law Day 2010

The New Hampshire Bar Association's Law Related Education program can help find lawyers and judges to visit your school for Law Day – May 7, 2010 (or another day more convenient to your schedule.)

Hundreds of lawyers and judges from the New Hampshire Bar Association take time to visit schools each year, providing students with real-life stories and lesson plans on the importance of the rule of law in our society.

Teachers may choose from a variety of lesson plans geared to every grade level or suggest their own topics to focus on during a "Lawyer and Judge in Every School" visit.

Contact Robin E. Knippers, Law Related Education coordinator, at reknippers@nhbar.org or call 603-715-3259.
