

NHMCLE Compliance Self-Test:

When a member completes the following 3 steps, they have met the requirements for the reporting year (July 1 – June 30).

1. Activate your ART account. If you can log in and view your My Record page, ART is activated.
2. Meet or exceed the minimum required minutes: View Section C of the My Record page. Minimum quantities are shown in parentheses immediately following the category.
3. E-file the Affidavit of Compliance from the My Record page. The 'affidavit' tab will be active after June 1 and after the minimum minutes have been met or exceeded.
Print your Affidavit of Compliance along with your My Record page and save in the file with your CLE information for that same reporting year.

Your activated ART account is available 24/7 to monitor your progress toward meeting the June 30 deadline.
