

Assistant General Counsel

Elliot Health System - Manchester, NH

Elliot Health System (EHS), a growing and dynamic healthcare organization, is seeking a versatile, talented and engaged attorney to serve as Assistant General Counsel. Under the supervision of the General Counsel, the Assistant GC serves as legal counsel to EHS and all corporate subsidiaries and affiliates, assisting with the delivery of legal services throughout the organization, coordinating closely with the corporate compliance, risk management, claims management, safety and security functions, and all operational and clinical areas organization-wide. Elliot Hospital opened its doors as New Hampshire's first general hospital in 1890, and has been an essential provider of a wide variety of clinical and community services since that time. In 2018, EHS created SolutioNHealth along with Southern New Hampshire Health System in Nashua, a

regional system to allow EHS and Southern to enhance access to additional services in our state and deliver value to our patients and the community. The Assistant GC will serve as an essential leader within not only the EHS organization, but as part of Elliot's exciting future as it works to develop a regional system through SolutioNHealth.

This position requires a minimum of seven years' experience as a practicing attorney, with relevant experience (such as health care, litigation, regulatory, labor and employment and/or corporate experience). Prior experience in health care in-house legal environment preferred. Competitive salary and benefits. Must be admitted to practice law in at least one state and eligible for admission to NH Bar. Please visit www.elliottcareers.org for more information and to apply. You may also contact Melissa LaSalle at MLaSalle@Elliot-HS.org
