

The **New Hampshire Bar Foundation Fellows** are chosen from those members of the Bar “whose professional, public and private careers have demonstrated their outstanding dedication to the advancement of the science of jurisprudence and the improvement and promotion of the administration of justice.” Fellows contributions support the goals, programs and administration of the Foundation.

Each Fellow has pledged a contribution to the Foundation. Life Fellows have reached their pledge and Sustaining Life Fellows continue to make annual gifts above and beyond their initial pledge. Members in the Leader Circle have made combined contributions of \$5,000 or more in their lifetime.
