

Claims Analyst

RiverStone is a global insurance industry leader specializing in the acquisition and management of insurance portfolios. With a highly skilled team employed in the US and Europe, RiverStone has amassed unrivaled industry and regulatory experience, and is a recognized market leader in the resolution of complex insurance claims arising from multiple lines of business including APH (asbestos, environmental, and mass tort) construction defect, brown and blue water marine, workers compensation, and major bodily injury liabilities.

An immediate opportunity exists for a **Claims Analyst**. Reporting into the Unit Manager, the Claims Analyst will directly handle claims including professional liability, construction defect, medical, legal and other professional malpractice, general liability, asbestos, pollution, and health hazard. Day to day activities will include: coverage analyses, liability and damage investigations, comprehensive evaluations, litigation management, negotiation, mediation participation and trial attendance as cases require. Potential responsibilities may include special projects and participation in due diligence efforts to evaluate potential new business acquisitions.

Opportunities in Manchester, NH

Duties and Responsibilities:

- Reviews loss notices; confirms and interprets policy coverages; establishes adequate reserves; and investigates and handles claims involving primary and excess coverages
